

# Santa Monica Pier Aquarium

## PREK- 12<sup>TH</sup> GRADE FIELD TRIP EDUCATION PROGRAMS

See Santa Monica Bay in a whole new way! Heal the Bay's Santa Monica Pier Aquarium is a science-based, environmental learning and public education facility located in Santa Monica. The Santa Monica Pier Aquarium offers marine education programs for grades preK-12 students and their teachers. The programs—based on the CA science standards—are hands-on and interactive.

During your program, your students will have exclusive use of the Aquarium as they examine the ocean animals and plants in our touch tanks and aquaria as well as view other exhibits.
