| **Cabrillo Marine Aquarium**  
3720 Stephen M. White Drive  
San Pedro, CA 90731  
310.548.7562  
www.cabrillomarineaquarium.org  
For reservations call: 310.548.7562 | October - June  
Tuesday - Friday  
10:30am - 12:00pm  
(flexible) | Cabrillo Marine Aquarium is dedicated to promoting education, conservation, and research of the rich marine life of Southern California through the many living and interpretive exhibits, sea water laboratories, and surrounding seashore habitats. Key to the Sea naturalists will guide you along the beach and to the touch tank. Classes may then have an independent self-conducted tour of the aquarium exhibit hall, Exploration Center, and Aquatic Nursery. | 60 Max. | One large bag of aluminum cans per class | Fabiola Villasenor |
| **Roundhouse Marine Studies Laboratory and Aquarium**  
P.O. Box 1 Manhattan Beach, CA 90267  
Manhattan Beach, CA 90267  
310.379.8117  
www.roundhouseaquarium.org  
For reservations call: 310.379.8117 | September - June  
Monday - Friday  
9:00am - 12:00pm  
12:00pm - 3:00pm | At the Roundhouse, located at the end of the Manhattan Beach Pier, Key to the Sea is incorporated into a three-hour field trip of hands-on marine science. Our program features touch tank exploration, including the chance to shake hands with a sea star, “kiss” a sea cucumber, become part of the ocean food chain, and learn about the problems of ocean pollution. Of course, a Key to the Sea beach component is included where students explore the beach and look for animals, seaweed, and shells. | 1-30 31-60 | $250 $500 Grant funding may be available. | Dawn Martin |
| **Heal the Bay Aquarium**  
1600 Ocean Front Walk  
Santa Monica, CA 90401  
310.393.6149  
www.healthebay.org/smpa  
For reservations visit: https://healthebay.org/aquarium-field-trip-request/ | September - June  
Monday - Friday  
10am - 12pm  
12pm - 2pm | Visit Heal the Bay Aquarium, under the Santa Monica Pier, and see the Santa Monica Bay in a whole new way! The Key to the Sea program is incorporated into our jam-packed two hour educational program for elementary students. During your visit, students will discover ocean organisms in our touch-tanks and view exhibits inside the Aquarium. Also, your students will join our Key to the Sea naturalists outside for the beach exploration, bird discovery, and exciting pollution game. | 65 Max. | $300 Grant funding may be available. | Kelly Kelly |

### Notes:
1. First and second year Key to the Sea teachers must register and attend a teacher workshop prior to your scheduled field trip date. Please see www.healthebay.org/key2sea.
2. Veteran teachers must also register at https://forms.gle/HDacLwTEphoWmRXA6
3. Buses are NOT provided, though some funding may be available – teachers may contact us for details. Teachers must make their own bus transportation arrangements.
