

# AQUARIUM FIELD TRIP

## Frequently Asked Questions

### What about masks?

- Following CDC and LACDPH guidelines, we ask that all students and chaperones continue to wear masks inside the Aquarium during gallery time and our lesson. It is mandated that those involved in student groups and child-programs wear masks during these sessions for the health and safety of our community.

### When are these Field Trips offered?

- In-person Field Trips start at 10AM, 11:30AM, and 1PM on Tuesday-Thursday and are 2 hours long. Our summer sessions are 1-hour long, and start times can be adjusted upon request. These hours will change in the Fall. Each session has a similar structure with a different theme depending on the grade-level of the students.

### What is the maximum number of students allowed in each session?

- There will be a maximum of 30 students that will be allowed in each session

### Are there any scholarships available?

- There are a limited amount of scholarships available for Title 1 students/groups.
- Simply select the option "Is this School Title 1, and are you interested in a class stipend?" We will follow up with you regarding availability

### What is my role as the Teacher?

- As a Teacher, we ask that you help us moderate your students and help connect their learning to our program lesson. During the activities, you can participate by asking guided questions to help students practice making observations, asking questions, and making connections to prior knowledge and experiences. We ask for your assistance in maintaining a safe learning space for the students and the aquarium creatures.

### Bathrooms

- Our facility only has two bathrooms for school group use.
- The best time to use them is during the gallery exploration
- There are also public restrooms on the North side of the pier, just around the corner from the Aquarium
- Due to our field trip and public programs schedule, we unfortunately cannot let a school group inside

## Frequently Asked Questions

### Snacks & Lunches

- Eating areas
  - tables and benches on the Pier deck directly above the Aquarium.
  - grassy hillside, near the palm trees just south of the Aquarium.
  - Beach, or at the tables at the chess park (south of the pier).
  - Please remember to recycle whenever possible and dispose of all lunch trash properly.
  - Also, there are many snack stands on the Pier and boardwalk where groups can purchase food and drinks.

### Bathroom

- Our facility only has two bathrooms for school group use.
- The best time to use them is during the gallery exploration.
- There are also public restrooms on the North side of the pier, just around the corner from the Aquarium.
- Due to our field trip and public programs schedule, we unfortunately cannot let a school group inside to use our bathrooms outside of their field trip time.

### Inclement Weather

- You can expect to go out to the beach for the field portion of your trip (2-hour program) as scheduled unless there is a steady rain or thunder.
- If there is a steady rain, the beach portion of the trip will be adapted for either the Aquarium, or outside under a covered area.
- We cannot honor requests for field trips to be cancelled or rescheduled due to rain.
- Refunds will not be given if a school chooses to cancel their reservation.

### Chaperone Expectations

- Chaperones are expected to help facilitate the field trip by helping students stay together, listening to instructions, and modeling appropriate behavior.
- Chaperones might be needed to join groups of students to help with activity after introduced by staff, and can help facilitate student learning with guided questions.
- Minimal social conversations during lessons.
- We encourage taking pictures (without flash), but please hold off while staff is giving an introduction or talking about rules.

## Frequently Asked Questions

### Know Before You Go....

We want our visitors to be prepared for beach exploration. Please wear comfortable clothes.

The weather can range from cool and foggy to hot and sunny. Dress warmly and in layers.

For maximum comfort consider wearing/bringing the following:

- Long pants can be rolled up, or wear shorts in hot weather.
- A sweatshirt, sweater, windbreaker or jacket, with t-shirt underneath.
- Closed-toe shoes. Water shoes or an old pair of tennis shoes that can get wet and sandy are best.
- Hat.
- Sunscreen.
- Sunglasses.
- Reusable water bottle or juice.
- Snacks or lunch: Please pack your food in environmentally friendly containers, i.e. minimize prepackaged goods, pack food in reusable containers.
