**SUITS ON THE SAND IS HEAL

We'll bring everything you need to do a beach cleanup to the location of your choosing. All your group needs to do is bring some signed waivers and we'll handle the rest!

- Sign-in/fueling station: table, tent, chairs, water, and hand sanitizer

In an effort to keep our cleanups as low-waste as possible, we encourage all participants to bring their own reusable water bottles!

## BEACH TALK

We'll start things off with a brief introductory beach talk outlining how pollution reaches the ocean and how individual members of the community can help.

## TEAMBUILDING

We incorporate a team-building component by splitting the group off into teams and holding two competitions: most trash by weight and most cigarette butts.

## CLEANUP

Participants will clean the beach for the remaining time, and we'll gather everyone back together at the end to announce totals and award prizes to the winners of the competition!
