

Please follow these safety guidelines when visiting the Heal the Bay Aquarium:

1. While masks are no longer mandatory, they are a protective barrier that can help reduce the spread of respiratory infections. We recommend that our visitors and staff continue to wear them as a preventative measure.
2. Guests will not attend if they are sick with a fever and/or respiratory symptoms.
3. Guests will also not attend if they have come into contact with a person who has tested positive for COVID-19 within the last 14 days.
4. No food or drink is allowed.
5. Hand sanitizer is available at our exit, and we have restrooms on site for guest convenience and use.
6. Stay up to date on the COVID-19 vaccine.
7. Get the flu shot to prevent influenza if you have not done so this season.
8. For more information, visit the [Los Angeles County Department of Public Health](#)
