\*Swell sharks are nocturnal hunters, but by day they gather together, resting side by side like the ultimate shark cuddle.

wanna go for a long walk  
on the beach and protect  
our ocean with me?

\*Octopuses are incredibly smart,  
able to remember and solve  
problems — kind of like how  
you're always on my mind.

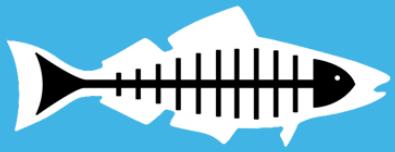

\*Giant spotted sea bass each have unique spots and patterns — just like fingerprints, no two are alike.

are you a giant sea  
bass? because no one  
looks *exactly* like you.
